raising awareness: ***dream***'s film and speaker series presents

***Paul Christie: One Man. One Voice. One Message.***

**DSS, 7 to 9 pm**

On **Friday, May 4th, 2007** ***dream*** presents Paul Christie and Issues Affecting Adolescents.

"Do you know how many of today's youth are struggling with peer pressure and its overwhelming influence to experiment?" asks Paul Christie. "Look around. They're within your reach."

Summer is quickly approaching. It is the season of fun and freedom for our youth. Unfortunately, it may also be the season when some are initiated into the "party" life of their friends. Some may make decisions that change the course of their lives. They need to hear the truth about the consequences of "harmless experimentation".

***dream***'s final presentation of the season is a must-see event for you and your teen. Paul Christie delivers a frank, first hand account of the damage drugs and alcohol addiction inflicted on his life. His dynamic style has proven effective in connecting with young people. His message is designed to educate kids in an attempt to arm them against peer pressure. An interactive discussion at the end of the evening provides a forum for opening communication and that, after all may be our most important tool to educate.

***dream***'s presentation of Paul Christie is generously sponsored by Premier Martial Arts and Paul Christie, *One Man, One Voice, One Message*.

***dream*** is a unique, community-based organization of volunteers that builds Dunnville's capacity to better serve its youth by providing academic, social and financial support to secondary school students. ***dream*** offers a four-year, youth mentorship program and hosts other community services that include a field-school program in Ek Balam, Mexico to promote global literacy.////
